As we get closer to the camp date, campers will be given information for themed days and other activities scheduled for the week. Girls may want to bring specific clothes or costume items for those activities. Details will be forthcoming.

The purpose of the Challenge Camp is to enjoy the natural environment of the facility as much as possible and to give the girls the opportunity for personal growth by communicating with those at camp. Tablets, ipods, etc. disturb the peace and quiet of fellow campers and the surrounding nature, so their use will be limited. We strongly advise against bringing any electronic devices, nice jewelry, cell phones, walkie talkies, ipods, video games, or other expensive items. Girls can request to use their cell phones to call their families at any time. If you need to reach your daughter, you can call our camp director, Sallie Roth, at (203)415-9649, or call the camp office at (860)767-0848, and ask for Peter Nygard.
